About Richard Petty's Driver Search

Named for the NASCAR Hall of Famer and winningest driver in NASCAR Sprint Cup Series history, this unique training camp and competition is for aspiring race car drivers looking for an opportunity to advance their careers. The program, which is limited to 12 participants, focuses on the core skill sets necessary for success at the highest levels in motorsports.

The inaugural *Driver's Search*, which took place in April, saw drivers from 11 different states and one from Australia demonstrate their abilities in High Performance Karts, USAC midgets, Nationwide-style stock cars, and real 850 hp-Sprint Cup stock cars. Along with the *Driver's Search* instructional staff, drivers also received valuable feedback from industry experts such as Marcos Ambrose and Kyle Petty. The "Top Driver" was determined, primarily, by the use of state-of-the-art computerized data acquisition technologies in the areas of: car control, endurance, track management, adaptability, race practices, passing exercises, car knowledge/feel, mechanical knowledge, speed, communication, and marketability.

Richard Petty's Driver Search II is scheduled for September 13-16, 2010. For more information, please visit our website at <http://www.pettydriversearch.com>.

About Dillon Moltz

Dillon Moltz, 19 years old of Waterford, CT, was named "Top Driver" of the inaugural *Richard Petty's Driver Search* in April. He started his career in 2001 in a Quarter Midget at Little-T Speedway in Thompson, CT where we captured his first championship in 2003 in the Senior Honda Division. In 2005 during his rookie season in the Allison Legacy Series, he took the North Championship. A year later, Moltz opted to join the Pro-All Star Series where he finished 5th in a 500 hp, 2,600 lb Outlaw Late Model.

Still craving a challenge and more powerful race cars, Dillon was forced to patiently wait until his 16th birthday before he was allowed to join the Late Model Division at Stafford Motor Speedway in Stafford Springs, CT. Within his first year at the track, he took home two feature wins, making him the youngest driver in Stafford's history to visit victory lane under the NASCAR over 16-year old rules. Moltz returned to the famous speedway in 2008 for his first full season and took home five wins while finishing second in points. In 2009, he broke another track record by becoming the first driver to win three 100-lap events in a row and finished the season with five wins and third in points. He currently is the driver/owner of the No. 94 AAA Driver Training Chevrolet.
